Dear Dr. Lederberg:

I have enclosed a copy of our paper, "Health and Value Assessment Applied to Nuclear Power Plant Safety". I want to apologize for the delay in forwarding you the paper, but, during the past summer, I left S.R.I.'s Decision Analysis Group and, in the process, apparently overlooked your request of June 29, 1974. I hope the paper proves of interest and value to you.

Sincerely,

Charles N. Smart
